## ABOUT THE BOOK

I am glad to present this book, especially designed to serve the needs of the students. The book has been written keeping in mind the general weakness in understanding the fundamental concepts of the topics. The book is self-explanatory and adopts the "Teach Yourself" style. It is based on the example based pattern and all areas of finance with advantages and disadvantages. The language of book is quite easy and understandable based on scientific approach of the business finance.

Any further improvement in the contents of the book by making corrections, omission and inclusion is keen to be achieved based on suggestions from the readers for which the author shall be highly obliged.
