

Best Practices-1 2017-18

1. Newspaper Reading by the Students in the Class

Preface:

The college has been running this practice since the session 2017-18. The purpose best practice to inculcate the habit of reading and especially the newspaper. By reading the newspaper the students become alert about the current events and the get the world's news. This habit compels the students to read the new books, and they become aware not only of the local event and incident but also they get the national and international news. Thus the students are able to acquire the General Knowledge which helps them in the competitive examinations. In this way the habit of reading newspaper.

OUR STUDENTS ARE BUSY IN READING THE NEWSPAPE

Objectives:

1. To inculcate the habit of reading among the students.
2. To make aware students about the current affairs.
3. To inspire students to read newspapers daily.
4. To motivate students to increase their General Knowledge.
5. To motivate students to appear in the competitive examination

Context:

1. Reading newspaper is the need of the hour.
2. The students must be aware of the current events.
3. Students should get General Knowledge by reading newspaper.
4. Students should have become habitual about reading.
5. Students have become habitual to read all the newspaper.

Evidence of Success:

1. Students read the newspaper daily
2. Students never forget to read newspaper even teachers sometimes forget
3. Students are aware of the current events
4. Students have become interested in appearing in the competitive examinations
5. Students read newspaper not only in the class but they also go to reading room and in the library
To read newspapers in all the three languages; i.e. Marathi Hindi and English.

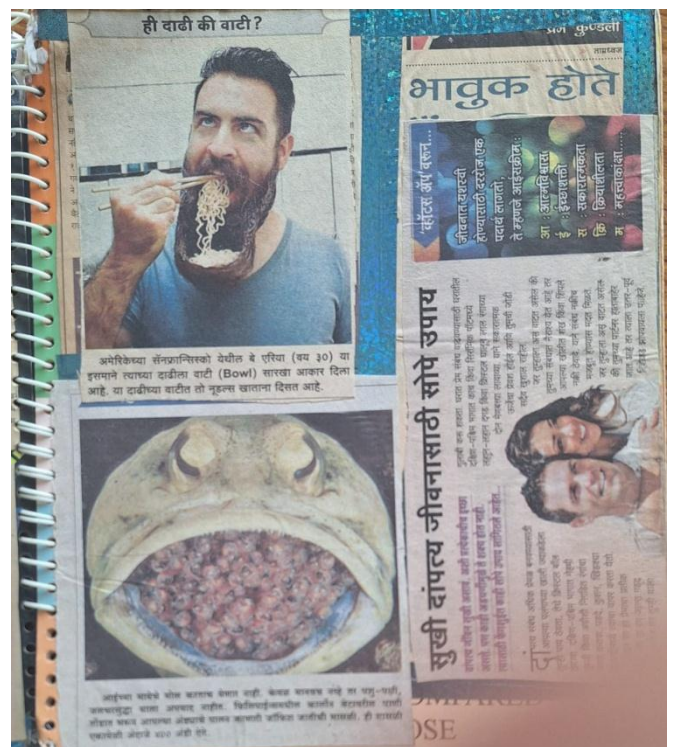

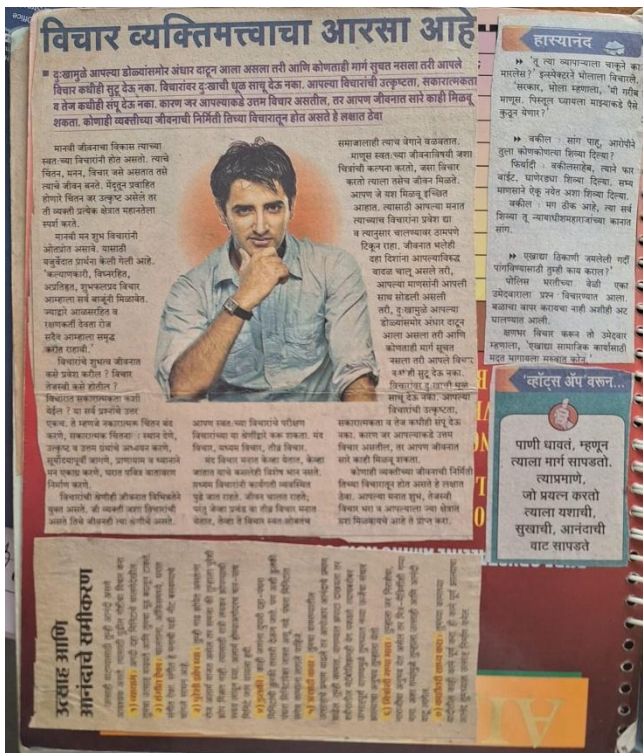

Best Practice-2
2017-18

Collection of Paper Cutting/Clips of Interesting/Surprising/Awful News
Preface:

In this best practice the students are asked to read newspaper and collect the paper cutting of the news wherein they are interested. For this purpose they are encouraged more than one newspaper and of any languages. Due to this habit students daily visit to the library and the reading room. They even read the newspaper in the class and inform teachers which news is interesting. The students not only collect their interesting news but also they have formed new books of the paper cutting. This books have proved to be the sources of General Knowledge. Due to this habit the students are easily attracted by the surprising, unique and awful news. Students not only read such news but also they shared such news with their friends and encourage them to read the newspapers.

Unique collection of paper clips/cutting by our Students

Objectives:

1. To create interest of reading newspaper among the students.
2. To make aware students about the happenings of surrounding world.
3. To inspire students to read newspapers daily.
4. To motivate students to read newspapers in various languages.
5. To motivate students to form a book of such unique news for future reference

Context:

1. Proper use of time to read newspapers
2. To keep students in constructive works like reading and collecting newspaper clips
3. Reading makes students perfect in their fields
4. Reading and make a collection of interesting facts is a good hobby
5. To make aware of the importance to the students of reading whether it is a book or newspaper

Evidence of Success:

1. Students don't waste their time instead they read newspaper daily.
2. Students take humongous interest in reading newspaper especially some unique news
3. Students have formed few books of their unique collection of paper cuttings/clips
4. Every teacher encourages students to read and collect some awful news.
5. Whenever the students are free from class they always find in reading room and library.
