Best Practices

2023-24

1. Recitation of National Anthem by the students & teachers in each class in the very first Period:

Preface to the Best Practice

After 12th standard students forget the good habit of recitation of National Anthem for they think that they have entered the senior college and there is no need of recitation of National Anthem. But in our college we continued this best practice from the session 2023-24. The chief motto of this best practice is to imbibe the patriotism in the hearts of the students. And our college sincere attempt that the students should not forget their previous regular patriotic habit even after they admitted to the senior college.

Objectives:

1. To inculcate the habit of recitation of the National Anthem.
2. To imbibe the feeling of Patriotism among the students teachers and people.
3. To make aware to all the importance of independence.
4. To inspire students to all the patriotic songs
5. To teach all the people they should regularly recite the National Anthem.

Vision: To provide quality higher education to socially and economically disadvantaged students of backward classes belonging to the rural areas through dissemination of knowledge in the branches of Arts, Commerce and Science and overall personality development.

(Arts Commerce Science)

Context:

1. The feeling of patriotism is the need of the time.
2. Whereas the present generation born in the independent India; they should know the importance of independence.
3. The present generation must have be habitual of singing the National Anthem.
4. To create the respect and honour for the National Anthem among all.
5. Day by day the feeling of patriotism is decreasing among people.

Evidence of Success:

1. Students, teachers and others have become habitual of reciting the National Anthem
2. Even if the teacher forgets to tell the students to recite the National Anthem; the students their selves remind the teacher to recite the National Anthem.
3. Not only the students but also the teachers have been becoming patriotic as they recite regularly the National Anthem.
4. The students and teachers are always eager to recite the National Anthem.
5. The teachers have become successful to imbibe the feeling of patriotism among the students and other people.

Vision: To provide quality higher education to socially and economically disadvantaged students of backward classes belonging to the rural areas through dissemination of knowledge in the branches of Arts, Commerce and Science and overall personality development.

2. Recitation of the National Anthem at the end of each Programme & Event at the College

Preface to the Best Practice:

In this Second Best Practice we have begun to recite the National Anthem at the end of every programme and event. The main purpose of this practice is to imbibe the importance of the National Anthem in the hearts of the students. When the students recite the National Anthem; they feel proud of their country. And the feeling of patriotism thus sowed through this practice. In our college there is at least one programme in a week and we have made it a habit to recite the national anthem at the end of the programme and event.

Objectives:

1. To inculcate the habit of recitation of the National Anthem.
2. To imbibe the feeling of Patriotism among the students.
3. To make aware to the students the importance of independence.
4. To inspire students to sing the patriotic songs
5. To teach students they should regularly recite the National Anthem.

Vision: To provide quality higher education to socially and economically disadvantaged students of backward classes belonging to the rural areas through dissemination of knowledge in the branches of Arts, Commerce and Science and overall personality development.
