Policy for the Continuous internal Assessment

Since the Rashtrasant Tukadoji Maharaj Nagpur University has introduced the semester pattern; the internal assessment has become mandatory and necessary. Now the question paper has been divided 80:20 pattern the responsibility of the teacher has increased considerably. Now the teacher has to give 20 marks by seeing his all round performance. These twenty marks have been divided into four sections. 1. Students regularity 2. Assignment 3. Performance in Unit Test 4. Performance in the Viva Voce. The syllabus is divided into two semesters of each class. Each subject teacher takes two unit-test in each semester in order to assess the students learning. In this way he is prepared for the final examination. After the examination is over the answer sheets are evaluated and they are shown to check where they are weak. In the meantime the assignment has been given and checked by the subject teacher. The weak students especially of the first year are given remedial coaching. Thus the students internal assessments go on through the whole year. The regularity and the punctuality is always checked by the class teacher and also by the subject teacher.
