## Lyric and Music

Narendra L. Gadge

One who waits  
He gets everything  
If expects everything  
Eventually would get nothing

Life is full of contrast  
Rebirth is not sure  
Life has so many maladies  
Death comes to cure.

It is easy to access reputation  
But what about the character?  
Money is a great matter  
For that we are running faster.

In mirth we dance foolishly  
On the played music  
The adversities make us understand  
The life's genuine lyric.
